QUALITY

Sonae Arauco works closely with EPH, an independent accredited test laboratory and certification body. EPH is recognised worldwide as proof of performance for materials and products, including the Green Building Council SA (ISO / IEC 17025 registered laboratory).

EPH has issued CLASS E1 certification for specific Sonae Arauco products that have successfully fulfilled the requirements of formaldehyde emission according to DIBt guideline 100.

AFILLIATIONS

SUSTAINABILITY

Timber is Sonae Arauco's primary raw material. As a major user of this natural, renewable and recyclable material, our commitment to protect the environment has been a part of our business model for many years. We remain committed to eco-efficiency and the sustainable sourcing of all raw materials.

Sonae Arauco's commitment to the environment is backed up by its subscription to international EPD (Environmental Product Declaration) and LCA (Life Cycle Assessment) disclosure.
